Dear Mr. Cooper,

I will at this time verify your letter of November 7, 55<sup>7</sup> on your report of our frequency check. (Each first monday morning of every month)

We began broadcasting on 1440 June 1, 55. We have been on the air since 1940 1230 KC. As we have only our FCC maps am unable to supply a coverage map. But we do cover a radii of approx. 90 air miles. This is due to the cascades & klickitats which we are surrounded by. Am sending a folder of facts & information which may be of interest to you.

Thanking you for your interesting letter I remain

Sincerely Yours,  
Bruce J. Elliott
