3/3/87

Dear Mr. Cooper:

Thank you for your letter of 2/26/87 regarding your reception of WAHT. This "QSL" letter is to confirm that your information is indeed accurate. as you may already know, WAHT is a daytime only station operating on 1510khz with 5kw. Our transmitter is a Gates BC5H and our format is "Classic Hits" featuring songs from the 50's, 60's, and 70's. I hope this letter has been of help to you and feel free to tune in anytime, when the propagation permits. Thanks again!

Yours truly,
Kris Jordan
