Dear Mr. Cooper:

In answer to your letter dated June 8th, please be advised we are sorry your previous letter was never acknowledged.

I am sure you realize there was somuch confusion here at the time the station first began to operate; therefore the reason for non-verification.

Your report in every way is true and correct. We operate on the F. C. C. Sunrise-Sunset schedule & also have a frequency check period during the day, regular programming schedule.

Thanking you for your interest in WESA and hoping you will excuse the delay, we remain

Very truly yours,
