Mr. Ernest R. Cooper, Editor
National Radio Club
438 East 21st St.
Brooklyn, 26, N.Y.

Dear Mr. Cooper:

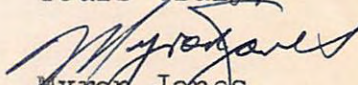

Thank you very much for your letter of
September 30, 1951 reporting reception of WJET.

Please accept this letter as VERIFICATION
of your reception of WJET.

In answer to your questions about Erie, the
name Erie comes from a tribe of Indians that settled in this
part of the country called the Erietz. It is apparent from
your letter that you follow radio very closely. As you know
daytime radio is now the trend and WJET feels that that the
choice of frequencies has been a wise one.

Wishing you the best in DX I remain-

Yours truly,

Myron Jones
