438 E. 21st Street
Brooklyn 26, N. Y.

Dear Mr. Cooper:

I received your report of reception in connection with the special DX Program for the National Radio Club on November 28, 1949. Your Log for the program is correct.

Your letter was one of many that reported rather heavy atmospheric interferences.

You asked if WGBI and WQAN has the same transmitter----we do. WQAN is heard over AM from 12:30 to 1 o'clock and from 4:30 to 5 o'clock every afternoon, operating on a frequency of 910 kc.

WQAN-FM is on the air from 8 o'clock until 12:05 Midnight daily, operating on a frequency of 92.3 Mc.

Best wishes,

John P. McGoldrick,

Station Manager.
