Dear Sir:

In reply to your letter dated May 24, 1948, you are advised that the information furnished is correct. We are on 1430 KC and we were testing with records and transcriptions at 3:03 A.M. EDST on May 21, 1948.

We don't at this time when the monthly frequency check will be made, however, daily checks will be made for approximately one more week. Our schedule will be 7:00 A.M. to 12:00 midnight Monday through Saturday and 8:00 A.M. to 12:00 midnight Sunday.

Yes, I am very well acquainted with Joe Pelletier. He has helped me here and I did some work with him in Indiana at WDAD several years ago.

Very truly yours,
