Dear Cooper:

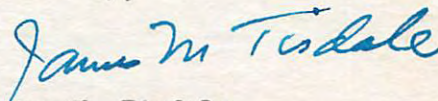

This is to acknowledge and to thank you for your detailed report of reception.

W V C H operates on 250 watts and will be on the air regularly very soon. During April we shall go on at 6:00 A. M. and sign off at 6:45 P. M. In May, with Daylight Time beginning, our sign off will be at 8:15; June and July, 8:30 and then August begins the turning back and the sign off time will be at 8:00.

Our Frequency Measurement checks have been completed for the time but will probably be conducted about twice a year in the future.

Thank you for your good wishes. Good listening to you!

Sincerely,
