This is to verify that you heard WW GO. Radio on Monday August 19, 1963. from 2:52 <sup>30</sup>/<sub>PM</sub> to 3:06 <sup>50</sup>/<sub>PM</sub> in Brooklyn N.Y.

We went to a different format (Rock + Roll type music) and due to change to complete different type programming that's why the call sign was changed from W.L.C.O.

Thanks for nice letter See u later I hope

P.S. Sorry I have no QSL cards for WW GO  
J.K.

Thank you  
Yours truly,
