Dear Mr. Cooper:

Herein is verification of your reception report  
of our Station WWPA 1340 Kc. Williamsport, Pa.

Damage was quite extensive in this area but due  
to the recent completion of the dikes, the largest  
part of the city was spared. The lower portion, about  
one foot of water, was in our transmitter building,  
but no damage resulted.

Sincerely,

*Carl W. Steinbacher*
