Dear Mr. Cooper:

This is to acknowledge receipt of your letter of September 26 reporting one of our frequency checks (September 24, 1948) for which we thank you.

Data submitted by your goodself checks with our log for this check, though it is really amazing that our 250 watts are capable of putting good signals as far as Brooklyn.

If you are interested in further checking these frequency broadcasts, please advised that we are scheduled as of each last Friday of the month, from 2:45 to 3:00 A. M. Eastern Standard Time.

With nothing further, allow us to remain,

Sincerely,

Mario Acosta,
Owner, Station WAEI
