To: Ernest R. Cooper, ED.
National Radio Club
438 East 21st Street
Brookling, New York-11226

Dear Mr. Ernest Cooper:

This few lines to verified your very kindly DX from you dated March 14, 1966.

We thanks to you so much for this information and we know your DX is real one.

We have received some more Dx from others countrys. We keep in file DX from Sweden , many from this country.

At this hour file is under lock, but next time I will send to you an photostatic of one of this 'faraway' DX.

We very glad beacause you pick our signal up there in Brookling, N. Y. We like so much you may be able to understand spanish and this way know more from our BEAUTIFUL PUERTO RICO.

Well Mr Cooper, I hope you are enjoing every night our 250 watts signal at 1230 kc on every bodys radio dial.

Day time our power is 1,000 watts. At night from 6:30 come lower to 250 watts.

You, from now on, be our friend. GOOD LUCK on your next DX.

ARECIBO RADIO CORPORATION, Box 908 Arecibo Puerto Rico

Sincerely yours, the Chief Engineer: Guillermo A. Bonet
