Mr. Ernest R. Cooper
438 East 21st St.
Brooklyn 26, N. Y.

Dear Ernest,

Thank you for your detailed report of reception of our station of October 24, 1959 from 4:25 to 5:00 PM. On checking our program and track logs for this date and time, I find your findings concur with our broadcast schedule. In regard to your inquiry, we first went on the air Thursday, August 13, 1959 at 2:30 PM on daytime operation. We sign on at 5:30 AM weekdays and 6:30 AM Sundays. Our frequency checks are unscheduled and observed at Cambridge, Mass. during the day. It is unusual that you could receive us during mid-afternoon as most reception reports were made at sign on.

Sincerely

Bob Pearson

Chief Engineer
