Dear Mr. Cooper,

This will confirm receipt of your "DX" letter dated November 29, 1997. The logged description of our broadcast between the hours of 4:00 Pm and 4:30 PM on November 27th, match the actual material broadcast, thus confirming that it was WZBZ that you heard. We have had other "DX" letters from the Cape also. Maybe we should try to sell commercials down there!

Sincerely,

*Barry P. Lunderville*

*PS, Previous DX'er was you!*
