Dear Mr. Cooper:

We hope you will forgive us for not answering your letter sooner, but as is said "Better late than never." We verify your reception of the November 5th, test program. As for coverage maps, we have none available. And as for the KHOK call letters, they were never used. Just before we were scheduled to go on the air, November 16, 1961, we decided to change to KHOK because of the use of "OK" in station breaks, etc.

Thank you once again for listening, and for your patients, awaiting for the arrival of this letter.

Sincerely,

Steve West
