December 30, 1963

Ernest R. Cooper, Editor
National Radio Club
438 East 21st Street
Brooklyn 26, New York

This will verify your second reception of KRKO
in 26 years of listening.

Conditions must have been just right on that
Monday morning in October. We have one other
report for October 7, 1963. It is from Elkridge,
Md.

Thank you for your letter.

Sincerely,

A handwritten signature in blue ink that reads 'Dale Good'. The signature is written in a cursive style with a large, sweeping 'D'.

Dale Good
Chief Engineer
