Dear Mr. Cooper:

I am pleased to verify your report of hearing WAKX on Saturday morning, November 20th, at approx. 12:48 am (CST).

You were hearing our regular monthly frequency measurement check. This is normally conducted the third Saturday morning of each month.

We are always glad to hear from DX'ers and we try to answer all letters, but sometimes we get a little behind.

Also, please find enclosed a WAKX coverage map. I hope it will be helpful to you.

Cordially,

Lewis M. Latta,
President & General Manager
