Dear Sir;

We are pleased to verify your reception of WAWA on the morning of May 20, 1962. I am sorry about the trouble you experienced in reaching us through the mail. This is not the first time this has happened, since we are licensed for West Allis, but are actually located in Elm Grove.

WAWA went on the for the first time on Oct. 28, 1961. We are on the air from sunrise to sunset, which at the present time is 5:30AM until 8:30PM CDT. Our Sunday sign on time is 6:30AM. We do not have a regular test schedule. A printed coverage map is not available at the present time. Our pattern, as sketched below is directed toward West Allis at an angle of 94 degrees.

Thank you for your interest and best wishes .

Very truly yours,

*Jack Krause*
