**WISV - WGBM**

VIROQUA, WIS.

Dear Sir,

yes I believe you received us on  
the 19<sup>th</sup> although it seemed not too good.  
Received my best report from Indians.  
I don't have a code key to make a Morse  
code identifier and have forgotten all  
code I did know. I took a little in the Army.  
Have enclosed a call sign card.
