Dear Mr. Cooper:

In answer to your letter of April 9, 1957, I was sorry to learn that you did not receive verification of your reception of this Station, WSHE, signed by me, which I sent out quite some time ago.

I take this opportunity to acknowledge and thank you for the complete report you sent concerning our DX Test of November 5, 1956 on 950 kilocycles. I hope we will hear from you again saying that you were able to hear us.

Thank you again and this letter is now your verification.

Sincerely Yours,

George E. Schneider
