Dear Mr. Cooper:

Thank you for your letter of May 14th. Please accept this letter as verification of the fact it was WTKM you monitored on May 13th.

Enclosed you will find a map of our coverage area. As indicated, measured contours will exceed predicted contours by approximately 35%.

Hartford is situated in the heart of Wisconsin's Kettle Moraine district, which is among the richest farming and dairying land in the nation. The name Hartford means deer crossing, probably related to the fact that the town is on the Rubicon River. The population is approximately 5,000.

We're expecting to receive authorization from Washington any day. Everything has been submitted for approval. Our sign on for week days will be 5:30 Central Standard time and sign off for week days will be local sunset. For Sunday our sign on will be 7:00 Central Standard time and sign off again at local sunset.

Thank you again.

Very truly yours,
THE KETTLE MORAINE BROADCASTING CO.
