Dear Ernest,

We were very happy to hear from you today! Yes, you indeed heard WLRH.

Our talk program is on the air from 12 noon to 1 pm (central time) Monday through Friday. I can verify that 539-9405 is our telephone number and that the conversation on the telephone you heard broadcast was on WLRH on the program called Feedback.

It is odd that you have a program from 11 - 12 on Saturdays which plays march music. We have a program done by a very fine volunteer, Darryl Adams who also plays march music and guess what? Saturdays 11 - 12 Noon.

I am leaving a copy of your
Letter for Darryl. He works
For Rockwell here in Huntsville.
You two may want to get in
Touch - maybe even exchange some
MUSIC.

By the way right now we don't
have a coverage map but our
coverage is approximately a circle
with Huntsville at center and
Gadsden, Alabama as radius.

Lot's of Luck to you on
DXing!

Sincerely,

Henry Hoffman
