Dear Mr. Cooper,

I am delighted to verify that you tuned in to WUAL's signal on Wednesday, July 9, 1986.

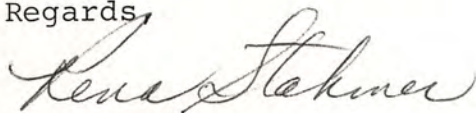

Delores Chestnut is indeed on our staff, and the entire lineup describes our local portion of ALL THINGS CONSIDERED.

Yours is the third inquiry so far this month. We have received letters from Fargo, North Dakota - and another from Massachusetts. Our signal is really "getting out there."

I am enclosing a coverage map, as you requested. Also, one of our program guides. Within a year, we will be extending our signal via a satellite station in Muscle Shoals to the north. Perhaps we should expect letters from Canada next year.

Please let me know if you happen to tune us in again.

Regards,

Rena Stahmer
Director/General Manager
