Dear Ernest

It seems that you did indeed pick up KABF that eventful evening last May. It is nice to hear from you. Sorry in the delay writing back, I thought I had already responded. Things are always hectic here we only have two employees & everyone else works as a volunteer. I am one of the staffers & work here 12 hrs / day 6 days / wk, sorry you didn't get a confirmation sooner.

Mgr KABF

P.S: Doug has not been here for over a year.
