Dear Mr. Cooper:

Thank you very much for your letter of May 30. I am delighted to know that at least for a few minutes we had a listener in Provincetown, Massachusetts.

This is to confirm your reception of KASU based on your log information. I am not sure I can help you with "K-95", although there is a station on 93.9 in West Plains, Missouri. Perhaps you heard KTTS-FM in Springfield, Missouri, (94.7 mhz) reading some news story about West Plains.

I thought you might be interested in a copy of our Program Guide.

Thanks for writing us.

Sincerely,

A handwritten signature in blue ink that reads "Charles Rasberry". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
