Dear Mr. Cooper,

It definitely was our signal you heard! White River Insurance Agency, commercial and the Super Star Rock Concert Series sponsored by Coca-Cola Bottling Company were carried by KZLE. However, the baseball scores of the Major league games were not carried by us, nor the country music.

Thank you for your letter, it was very exciting to hear that someone from Massachusetts picked up our signal. Please find enclosed a coverage map. I also enclosed one of our window stickers for KZLE.

Sincerely,

A handwritten signature in cursive script that reads 'Andy Vinson'. The signature is written in dark ink and is positioned above the printed name.
