Dear Ernest;

Thank you for your report of June 15, 1987 at 6:52 p.m. What you heard was our top of the hour I. D.

A little about our station, our format is A.O.R., and has been the #1 overall station in the Colorado Springs, Pueblo market.

Our transmitter is located on top of 9200 ft. Cheyenne mtn. approx. 2600 ft. HAAT. Our transmitter is a Harris FM-20H3 feeding 21kw into a Harris FMS-8 H&V antenna system for an ERP of 83 kw. Find enclosed a coverage map of our grade A contour.

Happy D. X. ing

Richard A. Holler
