Dear Mr. Cooper,

Thank you for your interest in WBMW. As a radio station owner for several years now, I can certainly appreciate your hobby, and I wish you continued success and fun with it. It was indeed WBMW you were hearing, and your notes were accurate. WBMW is located in Ledyard, CT, and is a 6000 watt station. I also own two stations in Rhode Island: WJJF 1180 AM in Hope Valley (country), and WPJB 102.7 FM (A/C, like WBMW) in Wakefield. It was rumored for a long time that we were owned by the Mashantucket Pequot Tribe (the owners of Foxwoods High Stakes Casino) or funded by them. That is not true. Actually, the application to the FCC for this station was submitted long before the casino was even heard of. The fact that we began broadcasting around the same time Foxwoods opened is merely coincidence.

I have enclosed some memorabilia from my station, as well as the coverage map you requested. If you have any more questions, or if there is anything I can do for you regarding information about the station, please do not hesitate to contact me, or my Traffic Manager Josh Litwin, who is present at the station more often than any of the WBMW employees. The phone number is (203) 464-1065. Once again, thank you for your interest, and congratulations on your reception of my station.

Sincerely,

  
John J. Fuller
