

October 23, 1985

Dear Mr. Cooper,

It was a pleasant surprise to receive your letter concerning your reception of our signal. After examining your detailed account of what you monitored, I am happy to confirm that it was definitely WCNI that you received. Enclosed you will find our current schedule. Thank-you for letting us know about your reception.

Regards,

A handwritten signature in cursive script, appearing to read 'Peter B. Buehler', is written over a horizontal line.
