Dear Mr. Cooper,

09/12/84

glad to receive your letter and am happy to verify your reception of WEBE. The former WDJF is now under the ownership of The 108 Radio Company, Ltd Partnership and has studios located in Norwalk. We changed our antenna and our signal with a null towards Long Island to protect the other FM radio station we own. The Radio Company owns WBAB-FM 102.3 and WGBB-AM 1240.

Thank you for listening.

Sincerely.
