Mr. Ernest R. Cooper

Provincetown, Massachusetts 02657

Dear Mr. Cooper:

I hope that all the radio stations you write to are not as slow in responding. We were delighted to know that the signal, even though weak, has reached out as far as Provincetown.

The details of programing that you gave in your July 18 letter do confirm that you did receive our station. We hope that in your pursuit of your NRC and IRCA interests, you might tune into WIHS again.

Since you received the book you asked for, I Hate Witnessing, you know that your letter was received. Unfortunately, I am away from the station all summer, as we are also involved in operating a Christian camp for children. It is next to impossible to keep up with correspondence during the summer months, although I ordinarily make it a practice to answer everyone who writes to the Reading Room.

Thank you for the brochures you sent describing the hobby of DXing. It must be extremely interesting. We find our involvement in radio to be most rewarding. WIHS is a non-commercial, listener-supported station, designed to provide spiritual instruction and encouragement to our listeners. We are particularly concerned to shore up the foundations of the family by helping people develop solid values and directions in their homes.

If you are ever passing through Middletown area, we would be happy to have you visit us.

In His Service,

Al and Elaine Thyberg
