CONGRATULATIONS, ERNEST:

Thus far you've become our most distant "listener". This letter is to verify your reception on 7/1/96.

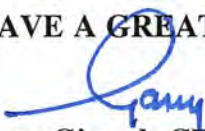

WKCD is southern New England's final commercial FM. We commenced broadcast operations last November.

We are a Class A FM with transmission atop Wintechog Hill in N. Stonington, CT.

My folks live in Dennis. They'll be quite interested to hear about your reception.

Enclosed is one of our "dial cards". Thanks for tuning in,

HAVE A GREAT DAY!

Gary Girard, CRMC
