Dear Ernest,

Both John and I enjoyed visiting your station last week while we were in Provincetown. It's always of interest to both of us seeing how other stations serve their specific audience.

I appreciated seeing both of you DX reports...one from June 15, 1988 and the most recent one from September 6, 1989.

The report from June 15, 1988 was WMNR. There is no doubt in my mind! Larry Behr is one of our broadcasters and the comments you reported could only be attributed to Larry or the Broadcaster he was taking over from...Stanley Seigel!

Your report from September 6, 1989 is a mixed report. The earlier one from 11:15 AM to 11:20 AM I can not verify as being WMNR. Neither the music reported nor the name of the program is ours.

However, the report from September 6, 1989 at 10:22 PM to 10:58 PM is definitely WMNR. The music matches up with what is in our log for that time. The broadcaster most likely Pam Hone. The ID is mine. (We use our IDs on carts as we have a tone at the beginning of the ID which splits out WSLX, 91.9 FM in New Canaan so it can ID separately...then rejoin WMNR 10 seconds later).

I've enclosed a post-cal (combination window/bumper-sticker and post-card) and a map showing the location of our station members.

Best wishes to you, Bob and all of the WQMR staff. Let me know if I can be of any further help.

Sincerely,

Carol Babina
