14 November 1988

Dear Mr. Cooper,

This is to verify your reception of Jeff Holtz' program of November 8th. Glad you can receive us out there!

By the way, we carry a program on Saturday afternoons at 3:30 called World of Radio. You've probably heard of it in your DX travels. It's hosted by the imperious yet charming Glenn Hauser. We frequently get calls from listeners who say things like: "I don't know what that guy is talking about, but don't ever take that show off the air!"

We don't have a coverage map right at the moment, since the antenna we're currently using has a badly flawed pattern, hence the paperwork that was supplied with it in no way reflects reality. But we're planning to put up a new antenna, of the panel variety, and once that's done I'll send an accurate map to you.

I'm enclosing a copy of our latest program guide. Unfortunately Jeff Holtz wasn't able to be present for the staff photo that appears on the back of it, but you may see others there who you may have heard over the years.

I salute your volunteer contributions to WOMR, especially since we are also an all volunteer operation.

Warm Regards,

Henry D. ("Harry") Minot  
General Manager  
and Bottle Washer
