Dear Ernest:

In response to your letter of March 12, I would like to confirm that you have indeed correctly logged the programming of WRCH Lite 100.5 on Friday, March 12, from 4:39 PM to 4:55 PM.

Our tower is on Rattlesnake Mountain in Farmington. It's 1250 feet above average terrain, so we cover most of Connecticut, up to Greenfield, Massachusetts, and most of northern Long Island.

Now we'll have to add Cape Cod traffic and beach reports ... well, maybe not yet!

Sincerely,

A handwritten signature in blue ink that reads "Allan R. Camp".
