Dear Ernest:

I am sorry that it took so long to answer your letter. You were indeed listening to W.S.H.U.-FM on August 28, 1984. The program you were listening to comes to us via satellite from National Public Radio and was hosted by Stephan Pegasek. (The program originated from the studios of WGBH in Boston, a good deal closer to you than us.)

W.S.H.U. operates at 91.1 megacycles with an ERP of 1000 watts at 620 feet above average terrain. Thank you for your interest in W.S.H.U.. We hope to hear from you again in the future. Best wishes for the New Year.

Sincerely,

George Lombardi
General Manager W.S.H.U.-FM
