Mr. Cooper:

Thank you very much for your letter and tape  
of December 12 1979.

It was indeed CBAF that you heard on FM. Your  
1978 broadcasting yearbook that lists CBZF-FM  
on 102.3 MHz Fredericton - Saint John is also  
correct.

How this is done is very simple: the CBZF-FM  
serving Saint John and Fredericton is a 100,000-  
watt repeater station of CBAF, airing all AM  
programs from CBAF Moncton onto the FM band at  
102.3 MHz ..... thus, the news, the promos, the  
commercials and even including the CBAF i.d.  
on FM.

As requested I am returning your tape and thanks  
again for your interest and your letter.

Yours truly,

ROBERT BEAULIEU
