Dear Mr. Cooper:

My apologies for not responding to your letter sooner and thank you for notifying us of your reception of K-100.

A check of our logger tape dated October 24, 1989 confirms your accuracy in receiving CIOK's signal in Provincetown, Massachusetts. We certainly appreciate response from our "distant listeners" in the United States. Please find enclosed a coverage map for K-100 (CIOK Radio).

Again thank you for telling us of your reception!

Sincerely,

A handwritten signature in blue ink, appearing to read "Bruce Ryan".
