Dear Mr. Cooper,

This letter confirms the reception of WAFL, 97.7 on August 30, 1993! Congratulations on hearing us from 10:14 pm to 10:27... what type of receiver did you use to catch us? What other Delaware FM stations have you heard?

We are out of coverage maps, so I hope the enclosed "listener response" sheet is of some help to you.

Sincerely,

  
Dan Gaffney  
Program Director
