Dear Mr. Cooper,

*It was a pure delight to hear from you concerning your reception of WECY. As far as I can see by your letter, you indeed did hear WECY on August 30, 1993.*

*It looks like you are quite a radio fan by seeing the equipment you are using and your involvement in your local radio station as an announcer.*

*If you ever get to travel south and have the opportunity to visit Delaware, please give me a call and I'd be more than happy to treat you to lunch at one of our fabulous restaurants.*

*Again, thanks for "listening"... we knew we had a vast listenership but had no idea we reached the Cape. Hurricanes often do the strangest things.*

Sincerely,

Frank Bradley / G.M.-WECY
