Dear Mr. Cooper,

Please forgive my delay in responding to your letter of June 18th. I have just taken over management of the WGMD programming Department and I have been getting organized slowly but surely.

I have checked our Back File of News Stories and found those that contain some of the references you mention in your letter. We do not keep a record of the national stories we broadcast, but the local stories you mentioned do match up.

We do not keep an exact Music Log. I can say that your description of the music you heard, and the over-all format, matches our regular programming.

The Commercial messages you mention advertise Short's Marine, on Long Neck Road, which sponsored our Accu Weather Forecast.

It is my pleasure to confirm your reception of W.G.M.D., sunny 92, on June 17, 1988.

I hope we hear from you, and you from us, again soon.

Yours,

Micheal B. Mahaffie
News/Programming director
