Dear Mr. Cooper,

Thank you so much for your detailed report on WBVM's reaching the Provincetown area. It is fascinating to know where "skip" takes our signal.

We are a 100,000 watt/non-commercial stereo/24 hour a day station owned by the Catholic Diocese of St. Petersburg. We signed on in May of 1986. Our studios are located in Tampa, Florida and our transmitter in Riverview, Florida.

Hope these details assist you in your collection of verifications. Thanks for listening (even if by accident) and be sure to let us know if we make it into your area again.

Peace & joy,

Debbie Scarberry, Program Director
