

Jeff Southall/Chief operator

WAMR/WCTQ

282 N. Auburn Rd

Venice

FL 34292 June 19th.

Mr Cooper.

Thank you for the note, we were pleased and excited to receive it as we normally do not get too many DX requests, so listed below is the info you requested.

WCTQ-FM and WAMR-AM are owned and operated by Asterisk radio corporation of Ft Lauderdale Fl.

Studios, transmitters and towers are located at 282 N. Auburn Rd Venice.

Location of main tower (#2)

N. Latitude 27deg 06min 20sec

W. Longitude 82deg 24min 01sec

3 1/2 miles ENE of Venice municipal air

WCTQ broadcasts country music on 92.1Mhz
3Kw 24hrs.

directional ERP of

Transmitter is a Harris 3.5Kw.

Plate voltage 4090 volts.

plate current .58 amps

efficiency 70%.

Antenna 4 bay harris FML-4E@95M AGL (sta

-)

The D.J. on duty June 15th was Vince J.Tr

Mac Elliot AKA

"big mac")

Enclosed is a copy of the studio log page

you heard us.

The other side of the station is WAMR-AM 1320.

WAMR broadcasts "music of your life" (predominately big band music) from 5am until 7pm and "talknet"(satellite fed from NBC) from 7pm until 5am.

Studio and tx/tower locations as for WCTQ.

WAMR tx is Harris 5Kw with an ERP (day) of 5Kw and(night) 1Kw

4 tower directional array, main tower 312 agl.

pattern is changed 90deg at sunrise/sunset.

input power (into 54ohms) is, day 10.04amps, night 4.42amps

On the copy of the station log the entry 'lower power' is a reminder to the FM jocks to lower the power (which automatically changes the pattern) on WAMR as WAMR is automated some times and WCTQ is live 24hrs.

If you need any additional information don't hesitate to contact us and again thank you for your letter.
