Dear Mr. Anthony,

It is my pleasure to respond to your request for confirmation of reception on June 26, 1984.

I am sorry it has taken me so long to write back but things have been hectic as we prepare for the holiday onslaught. It is always intriguing to hear from hobbyists like yourself. I knew we blew a lot of hot air but I never thought it would carry as far as Cape Cod!

As for the WZIP/WELE relationship...WZIP was sold a couple of years ago and is now broadcasting Oldies from Daytona Beach. WELE has recently been purchased by Elyria/Lorain Broadcasting of Elyria, Ohio and we continue to be Central Florida's dominant Country Music outlet with studios in Deland and offices in Deland and Daytona Beach.

Happy Listening!
