Dear Mr. Cooper,

Thank you for your letter letting us know that you were listening to the station. It's exciting to know that we can reach people outside what we feel is our "normal listening area."

You are correct in your observation that we are a new station. We only signed on the air June 2, 1986. We are an 18 hour (for the time being) non-commercial Christian station. We are totally listener supported, only raising funds during our annual three day "Share-a-thon."

We do not yet have a coverage map printed up, but we cover the counties of Sarasota, Manatee, Collier, Charlotte, Pinellas, Lee, Hardee, and Osceola. We received a call from a man who was listening on a standard radio in Oklahoma City, OK. We have also received calls from cities in the state including Ocala, West Palm Beach, Melbourne, Stewart, Tallahassee, and Jacksonville.

Apparently we have a strong signal, or a clear channel. But for whatever reason, we are excited about the outreach of WJIS.

Thanks again for your letter, and God bless you.

Sincerely yours,

Dave Kirby
Production Director
