Dear Mr. Cooper:

I am writing to inform you that the radio signal you heard on Sunday evening July 24, 1983 was indeed WMFE-FM in Orlando. Your description of what you heard matches what we were broadcasting on that date at that time. Some of the signals you heard on a slightly lower frequency sound like they may have come from other Florida stations in close proximity to ours, namely, Tampa or Gainesville, Florida. However, this is only an educated guess on my part.

If your plans bring you to the Orlando area this October, feel free to visit us. We would be happy to give you a brief tour of our facilities. By the way, I have spoken on the telephone with Bob Nelson who also works at WQMR. He called me when he was visiting the Orlando area and told me a bit about your station. Best of luck with it in the future.

Thank you for letting us know that you heard us all the way up in Provincetown. Perhaps we'll have the pleasure of meeting you later on this year.

Sincerely,

Peter J. Dominowski
