Dear Ernest,

To say the least, we are very suprized to find that our 3,000 watt MUM got up to Massachusetts!! We have trouble covering the Keys, much less the rest of the world.

From the information you listed in you letter, I'd say that you did indeed pick up 94.3 FM, WMUM, Marathon, Florida.

Our coverage maps for WMUM are in the process of being redesigned. However I'll send you a hurricane tracking chart and a bumper sticker from our sister station, WFFG 1300 AM.

I Myself am a collector of radio station bumper stickers. If you'd be interested in doing a little trading, I'd love to hear from you. You can write to the above address.

Thanks for writing and for listening.

Sincerely

John West
