Dear Mr. Cooper:

This letter is to acknowledge the receipt of your letter dated July 7, 1989. You were correct in the fact that your letter surprised us, and we were glad to hear from you. I am really surprised that our little 3 kilo watt was reaching in to your area. In the past we have received letters from Denver, Colorado and Scranton, Pennsylvania, but this was on our 1 kilo watt AM at 1570 Kilo Hertz.

On Friday July 7, 1989 WOKC-FM/KC-103 was broadcasting on frequency 103.1 Mhz at 3000 watts.

our log confirms your letter.

At 3:00 - 3:04:30 The Mother Earth Report ran

3:05 The Good Country program

3:07:30 KC-103 was announced as in "The Good Country"
with "Jacks T's being announced.

3:11 Lightsey Restaurant advertised for help.

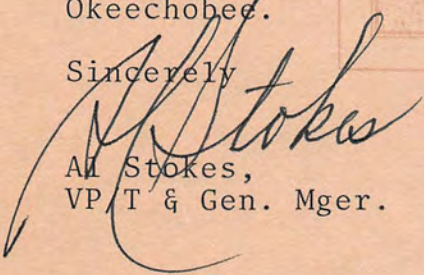

3:11:30 Badcock Furniture advertisement ran.

A promo ran for th "Crook and Chase" done by Laurie Chase and sponsored by Bud Light.

Again it was nice to hear from you and hope that you will stop by and see us if you are ever down here. We are right at the top of the second largest fresh water lake in the united states with some of the best bass fishing in the world. We are in to our 28th year of broadcasting here in Okeechobee.

Sincerely,

Al Stokes,
