Dear Mr. Cooper:

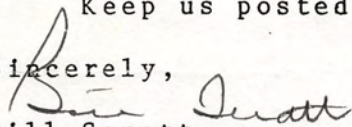

We welcomed your letter of June 28 concerning your reception of the WTLG signal back on Monday, June 27, 1994 on Cape Cod.

From the information you supplied us it appears you were, in truth, receiving our signal during those hours.

Southern "E-Skip" has produced some strange data in the past but none more bizarre than your distant reception there in Cape Cod; thank you for sharing it with us.

Keep us posted should you "catch" us on future occasions.

Sincerely,

  
Bill Seratt  
Station Manager
