

ERNEST R. COOPER
5 ANTHONY STREET
PROVINCETOWN, MASS
02657

DEAR MR. COOPER,

IT IS MY PLEASURE TO VERIFY YOUR RECEPTION OF W T R S
102.3, DUNNELLON, FLORIDA ON JUNE 10, 1994 AT 1:06PM.

AS IT HAPPENS, WTRS USES THE "MUSICSCAN" COMPUTER FOR
OUR MUSIC LIST, AND I WAS ABLE TO PULL UP THE LIST FOR THAT
HOUR. WE DON'T KEEP THE LIST THIS LONG, I PRINTED IT THE DAY
I GOT YOUR LETTER. IT JUST SO HAPPENS THAT I AM A BIT BEHIND
IN MY CORRESPONDANCE.

W T R S OPERATES WITH 13.3KW TPO INTO AN 8 BAY E.R.I.
ANTENNA FOR AN E.R.P. OF 50KW. OUR TRANSMITTER IS LOCATED
13 MILES WEST OF OCALA, FLORIDA JUST OFF COUNTY ROAD 328.
OUR STUDIOS ARE LOCATED IN OCALA, FLORIDA.

JUNE 10, 1994 WAS A GREAT DAY AND MONTH FOR FM AND TV
DXERS. UNFORTUNATELY FOR ME, I DIDN'T HAVE MY ANTENNAS UP
YET. I AM ALSO A MEMBER OF BOTH THE WTFDA AND THE IRCA, BUT
BY DX'ING TIME IS LIMITED.

IT'S ALWAYS NICE TO HEAR FROM FELLOW DX'ERS AND I DO
VERIFY ALL CORRECT REPORTS. I AM SORRY IT TOOK THIS LONG
TO GET BACK TO YOU. WE HAVE BEEN VERY BUSY WITH OUR OTHER
STATIONS, AND GETTING READY TO ADD MORE.

YOU MIGHT ALSO TRY FOR OUR CO-OWNED STATIONS IN VENICE
AND GAINESVILLE. WYGC ON 100.9 WITH 3KW, AND WCTQ ON 92.1
WITH 6KW. I HAVE HEARD WCTQ REFERED TO AS THE "FLORIDA
PEST" BUT I GET VERY FEW RECEPTION REPORTS. PERHAPS THEY
DON'T GET TO MY OFFICE IN OCALA.

ON THE AM SIDE, TRY FOR W A M R ON 1320KHZ. 5KW/1KW DA-2
I AM TRYING TO ORGANIZE A DX TEST FOR THIS SEASON IF TIME
PERMITS.

AGAIN, MY THANKS FOR YOUR REPORT, AND MY APOLOGIES FOR
THE DELAY.

BEST REGARDS AND SUPER DX

LEE J. FRESHWATER DIR. ENG.
