Mr. Ernest R. Cooper  
5 Anthony Street  
Provincetown, MASS 02657

Dear Mr. Cooper:

Reference your reception report of June 9th, 1988, we have researched our program logs and I am pleased to confirm your reception of WAZE at 10:40 a.m.

The dollar bill serial number of 68402191 was read on the air at that time, and was sponsored by Barber Rents at 419 Roosevelt Avenue in Albany.

The reference to men's shorts, all sizes, was part of a commercial for Maloof's Department Store in Dawson, which ran at 10:53 a.m.

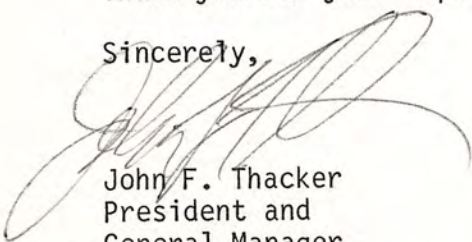

You certainly have a treasure in the old WDWD verification from 1948. That is our sister AM station, which now operates under the call sign of WHIA. Joe Stephens is still in town, and he vividly remembers receiving your reception report way back then.

This Spring has produced the largest amount of E-Skip that any of us can remember, due to dry weather, hot days, and cool nights.

WAZE is a 3 kw FM station at 92.1 MHz with an antenna 300 feet above average terrain. I am sorry that we do not have a coverage map available to include with this mailing.

Thank you for your report.

Sincerely,

John F. Thacker  
President and  
General Manager
